About Us

We, Rajkamal Handloom Factory, have been serving customers in the Indian market since 1975 with attractive and long-lasting products. Since inception, our goal has been to provide customers with perfect products tailored for their specific needs. Having a market presence across India, today, we are recognized as the largest manufacturer and supplier of Chair Covers, Hotel Uniforms, Bolster Covers, Premium Quality Blazers, Dholak Caps, Cushion Covers, etc. These products are extensively used in homes, hotels, cafes, etc. As we understand the preferences of customers in these sectors, we can craft a range featuring strength and durability up to their expected standards. We have hired a team of professionals to conduct market research on a regular basis so that we can accurately gauge client preferences and remain ahead of our competitors, irrespective of market dynamics.

Under the mentorship of Mr. Pradeep Bansal, (Owner), our team has been performing as per the quality guidelines of our company. He is the one who guides, motivates, and empowers all our individuals towards the common goal of pleasing as many customers as possible, nationwide.
